# Welcome to North Somerset Arts Week 2017

Dear Visitors.

A warm welcome to North Somerset Arts Week 2017. This 8th biennial arts festival includes over 50 venues, theatre and community events all within the North Somerset region - with more than 240 artists participating.

NSA strive to make art accessible in rural communities and the year of planning for this event has required a tremendous amount of effort by all those participating, the NSA team of committee members, artist members and volunteers together with support from our funders, sponsors and partners. Due to their commitment and dedication, this 10 day event offers you a fantastic opportunity to explore the abundance of creative talent in our region. Experience a huge variety of contemporary and traditional art, performance pieces and applied arts and crafts for everyone to enjoy.

We are very grateful to those who have supported the event including NSA volunteers and our advertisers. Special thanks must go to our sponsors Lynne Fernandes Optometrists, North Somerset Council and Sustainable Kitchens. We were also delighted to receive grants from Portishead Council, Clevedon Town Council and Nailsea Town Council - all of which has made Arts Week 2017 possible.

Our intent for Arts Week is to celebrate creativity, and advocate the cultural value and positive impact it has on the communities in our region. We invite you to explore North Somerset, visit places and artists you've never seen before, connect and have conversations, participate in creative activities and be inspired.

Keep an eye on our website [www.northsomersetarts.org](http://www.northsomersetarts.org) for news of member exhibitions and opportunities. Included in this brochure is a feedback form - please do share your thoughts and experiences.

Joint Chairpersons, North Somerset Arts

# All about us...

North Somerset Arts (NSA) was founded in 2002 as the first community-led arts not-for-profit organisation in North Somerset. From inception, the objective of NSA was to promote artistic and cultural activities by professional and amateur artists, in order to increase public involvement and awareness of the arts within North Somerset.

North Somerset Arts is a volunteer lead organisation made up of a Management Committee, a group of Trustees and two part time staff.

## Our Aims

**SUSTAINABILITY:** Become a stronger, more cohesive organisation.

**PARTNER:** Increase engagement with local businesses to educate and demonstrate the benefits of how the Arts can support businesses in the region.

**ENABLE:** Provide services that enable the participation of people of all ages and backgrounds in cultural activities.

**ENGAGE:** Educate and engage people of all ages and backgrounds by using the arts for cultural reflection and promotion of North Somerset artistic communities.

**ADVOCACY:** Provide a voice for the arts in North Somerset.

**HUB:** Become an umbrella organisation for the arts in North Somerset.

promote artistic and cultural activities  
by professional and amateur artists,

## Our history

Ever since its inception in 2002, North Somerset Arts has benefited from the passionate commitment of local artists and supporters, working together to build a cultural identity for our area, by delivering a biennial Arts Week, exhibitions and other artistic and learning opportunities.

NSA has always been a grassroots organisation, arising as it did in the early days of the newly formed North Somerset Unitary Authority. Artists began to seek opportunities to reflect and celebrate the community in which they lived and worked, rather than looking to the conurbations of Bath or Bristol. With considerable help from North Somerset Council (NSC) the first countywide Arts Week was organised in 2003 and has been held every two years since. Sadly, since the austerity measures enforced in 2008, NSC has withdrawn much of its support for the Arts.

## Join us

By joining North Somerset Arts we can build a creative landscape together!

Benefits include free entry to arts meets, free advertising in our newsletter and on our website, invitations to special events and access to our exclusive members area.

Visit our website for full details, or email us at [hello@northsomersetarts.org](mailto:hello@northsomersetarts.org).

[northsomersetarts.org/membership](http://northsomersetarts.org/membership)

As with most artistic organisations, funding and sustainability have always been a major issue and limiting factor. Despite this, NSA has grown steadily since 2002, changing from an unincorporated voluntary organisation to a CIO, a charitable incorporated organisation. We now benefit from the help of a paid administrator, though all other posts are voluntary.

'Arts Meet' Events - A fantastic opportunity to network with like minded creatives...

The difficulty in achieving sustainable funding does have some beneficial side effects. Our main benefactors are our artists and supporters, which means that we must build a strong local artistic community and deliver events and opportunities especially tailored for them, whilst striving for excellence, breadth of vision and greater accessibility to the arts for all of the community. All our events are designed to be open and available to creative people throughout North Somerset and to attract visitors from both within and beyond county boundaries.

The spark that was lit by those early Arts Weeks is now unstoppable. Artists in our area are now in touch with each other, new collaborations and opportunities are happening all the time. In towns and villages, existing art clubs are strengthened and new ones formed. So an arts scene unique to us, that reflects who we are and where we come from is being built.

Our watchwords are 'engage, create, evolve' so we hope to support creativity throughout North Somerset. Newcomers are always welcome to NSA: there are regular Arts Meets, (social, networking and learning opportunities), the biennial Arts Week and an Open Exhibition in the non arts week year as well as plenty of one off opportunities.

# Thank You

We sincerely hope that you enjoyed Arts Week 2017.

North Somerset Arts would like to thank all those that have supported Arts Week 2017.

Claire Hall and Gail Mason for their work in putting the brochure together. The Arts Week Area Coordinators – Val Cave, Sharne Tasney, Joanne Green and Sue-Jane Barton – for all of their hard work.

Special mentions must go to our sponsors Sustainable Kitchens, North Somerset Council and Lynne Fernandes Opticians, to those organisations who supported Arts Week through advertising in this brochure and to North Somerset Council Library Service for the helpful distribution of this brochure. We would also like to say thank you to Clevedon Town Council, Portishead Town Council and Nailsea Town Council for their financial support of the event. We are grateful to Bristol Fine Art for their generous donation of a £50 voucher for our Visitors Survey prize draw.

Our thanks too, to the hardworking volunteers, trustees and committee members who volunteer their time in support of North Somerset Arts all year round, and our staff for their hard work.

And not forgetting all the artists who have helped with the various aspects of Arts Week in their local areas and all the organisations who have participated or contributed to Arts Week 2017.
