

Membership Form
GROUP – 2022 to 2024

Group membership (and submission of a completed entry form and fees before advertised deadlines) entitles the group to participate in Arts Week 2023. It also entitles the Group as a whole to membership benefits, rather than the individual artists involved. This means the Group and its events can be featured in our newsletter but its members wouldn't normally be featured as individuals. Groups can also send at least one representative to ArtsMeets, although we may be able to accommodate more group attendees if there is sufficient capacity at the venue.
